# La clessidra

La clessidra è un gioco di calcolo che consiste nell'inserire i numeri mancanti nei cerchi ed eseguire le operazioni indicate.

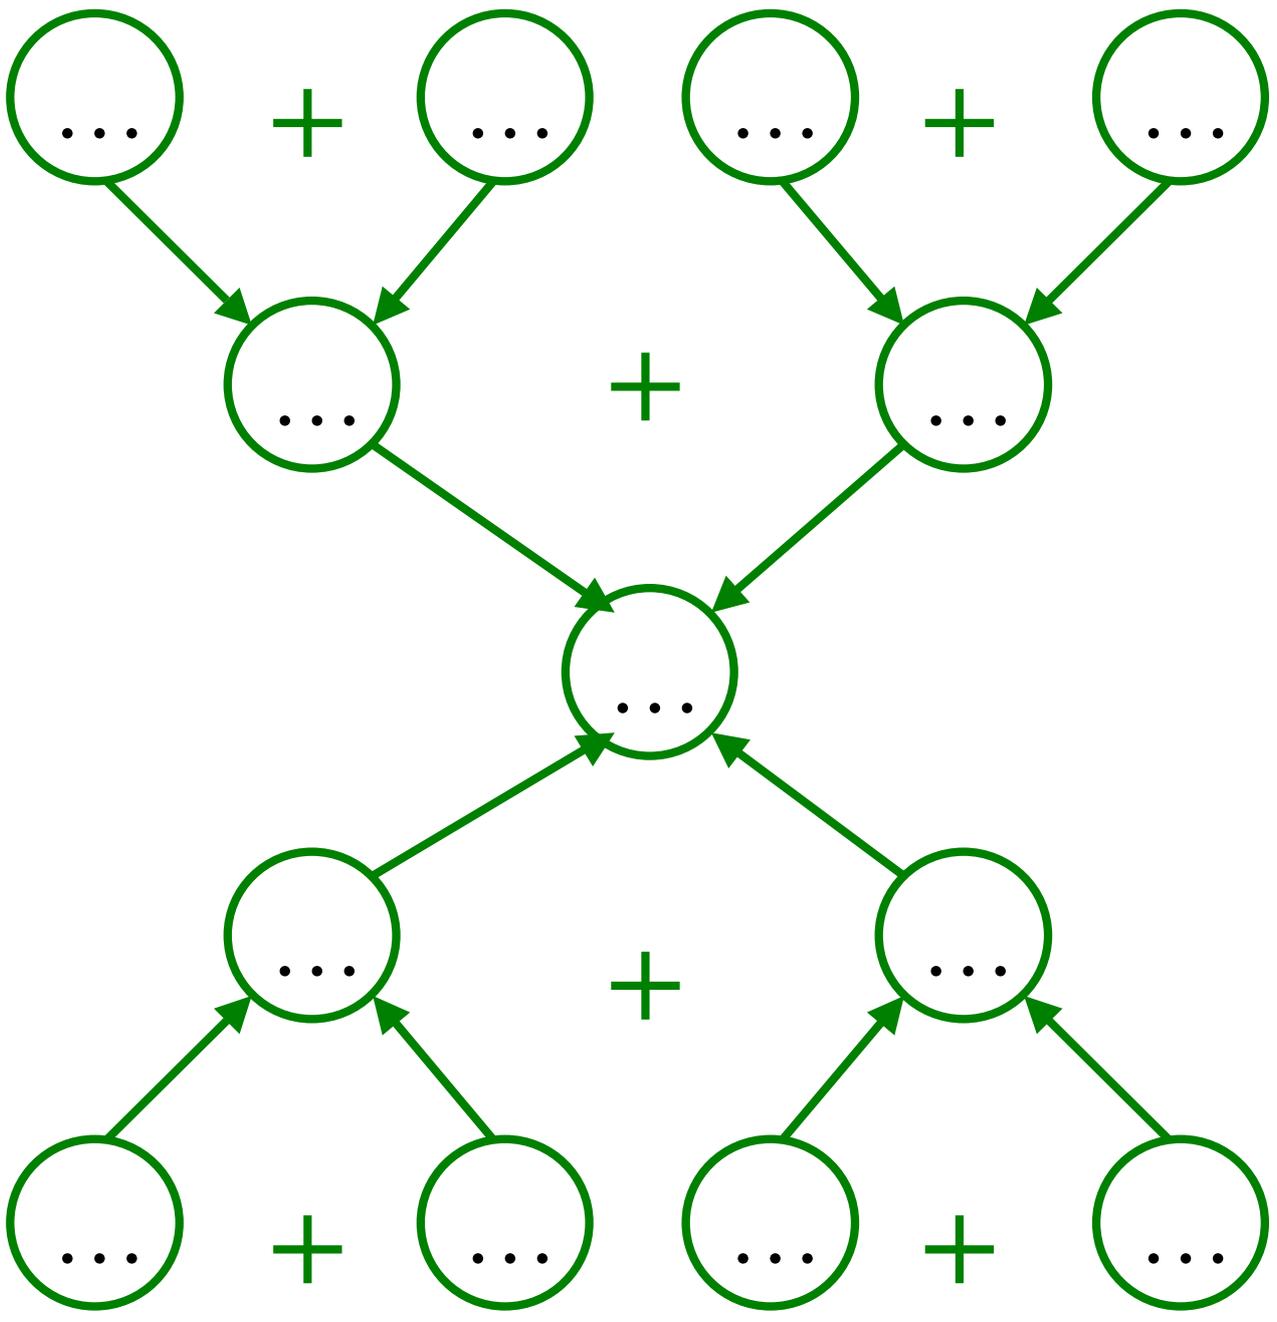

Se mi sono "*dimenticato*" di scrivere le operazioni fallo tu e poi inserisci i numeri.

Vi è una sola regola che lo complica:  
**"NON USARE 2 VOLTE LO STESSO NUMERO"**.

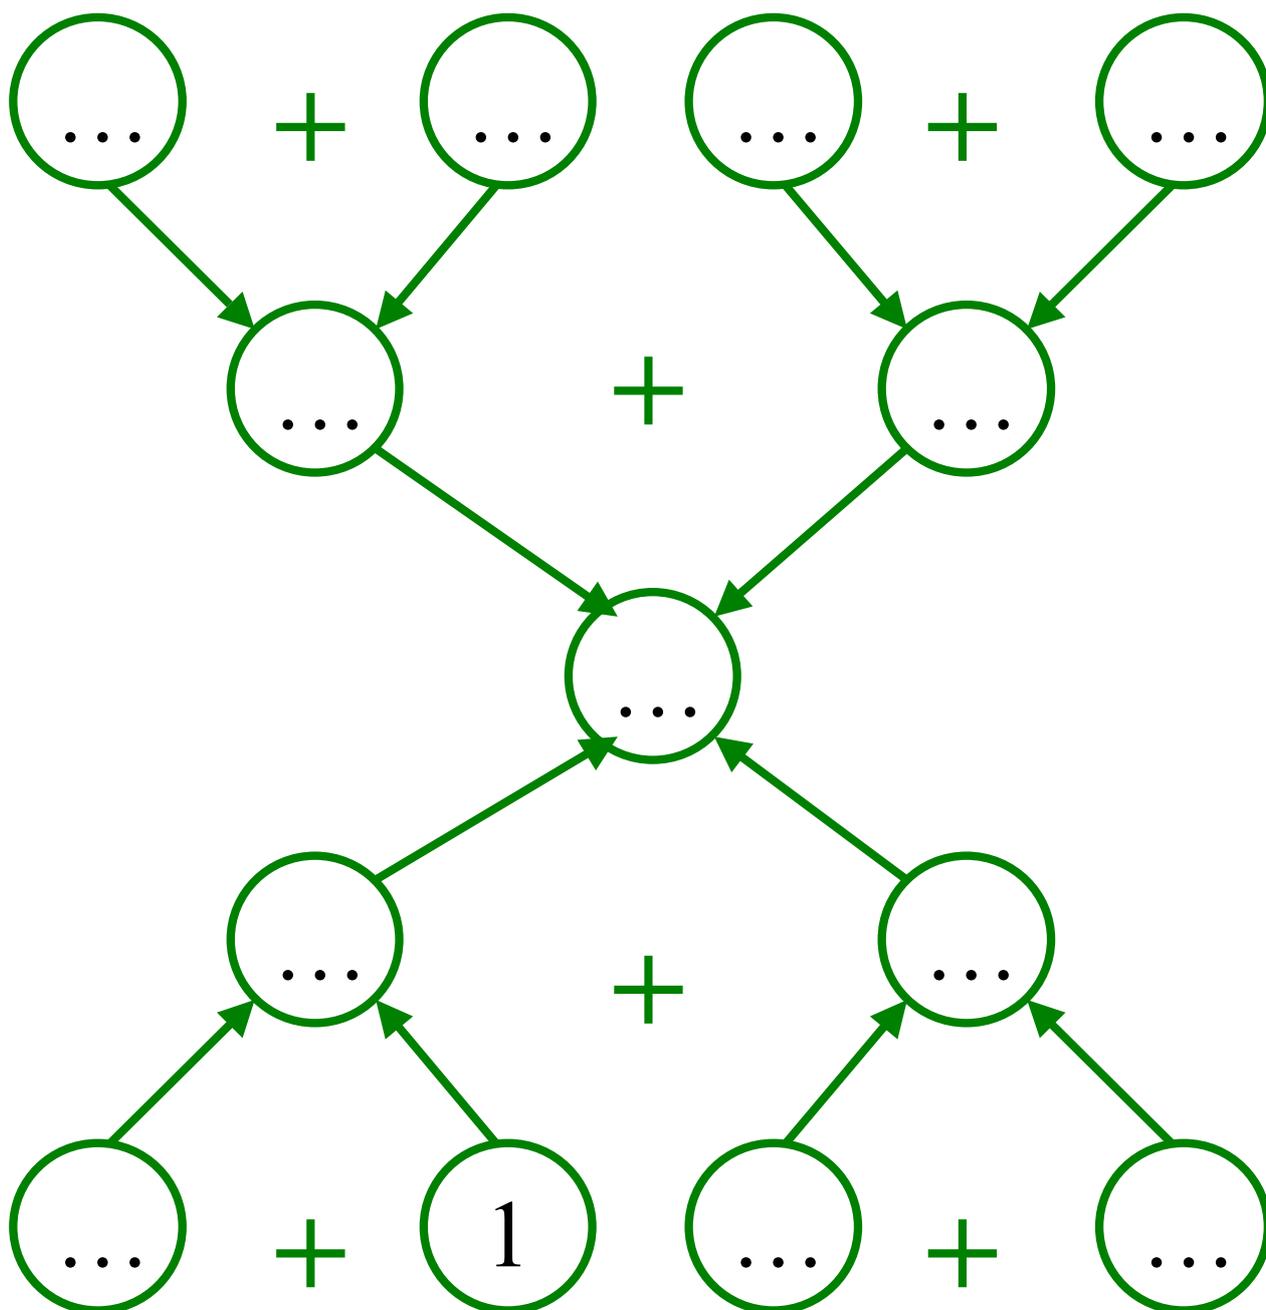

Esempio:

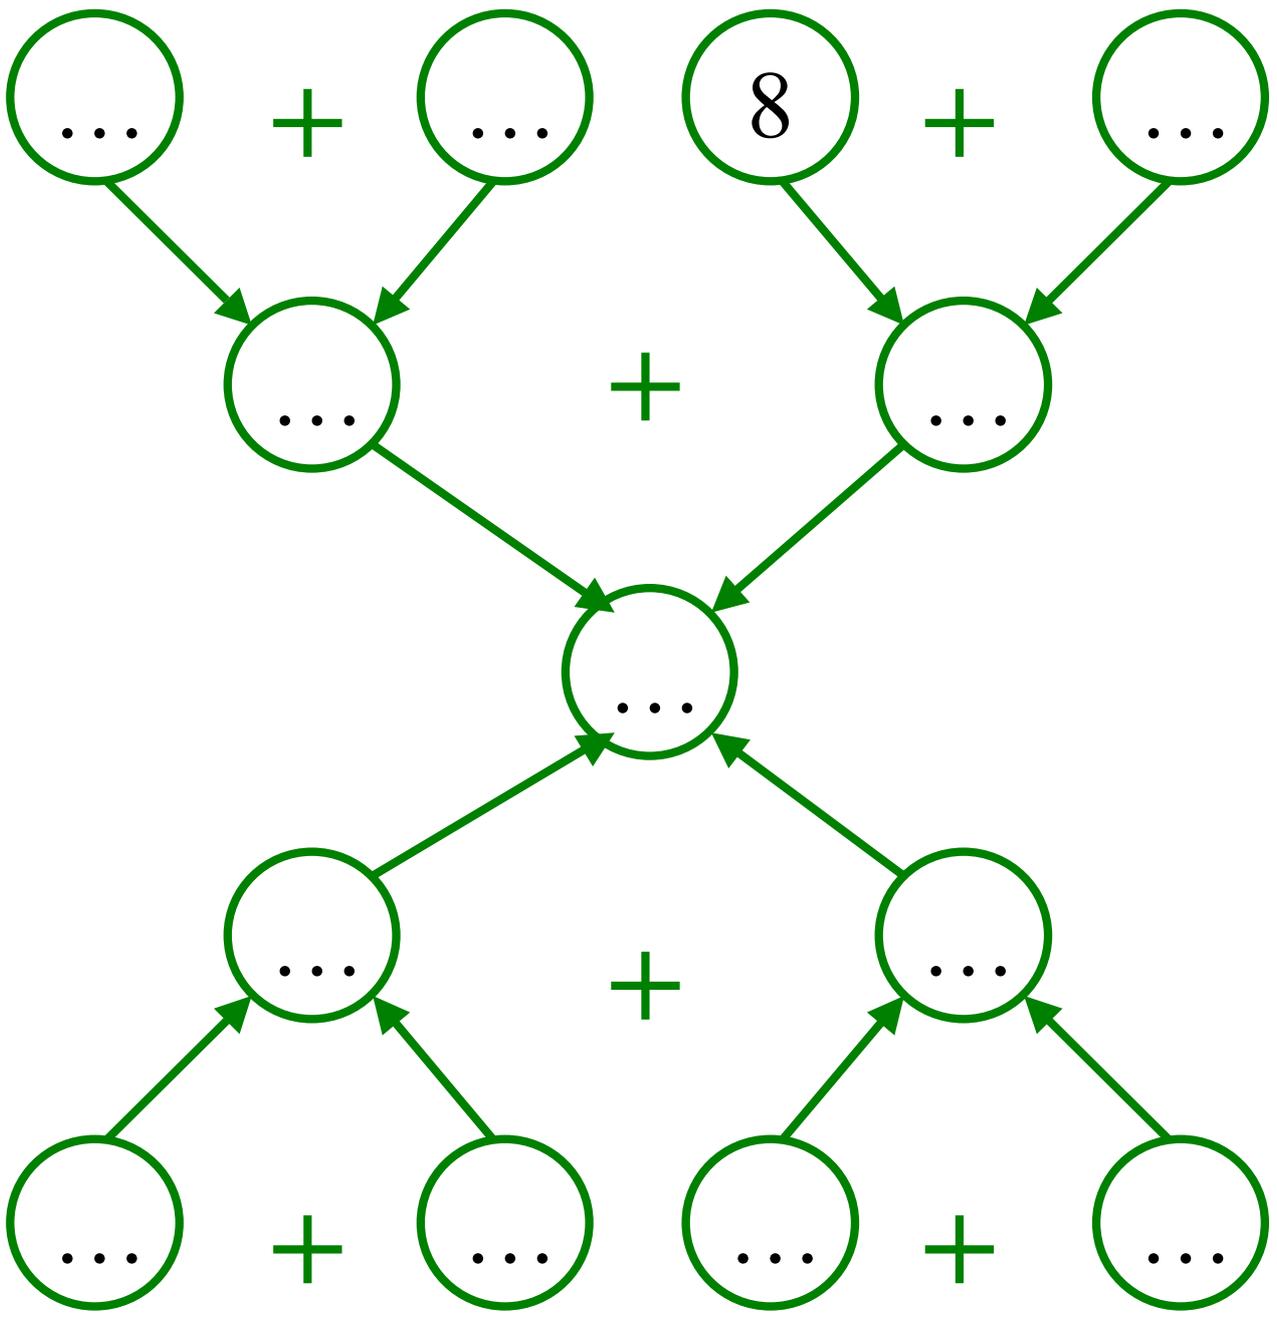

# *La clessidra*

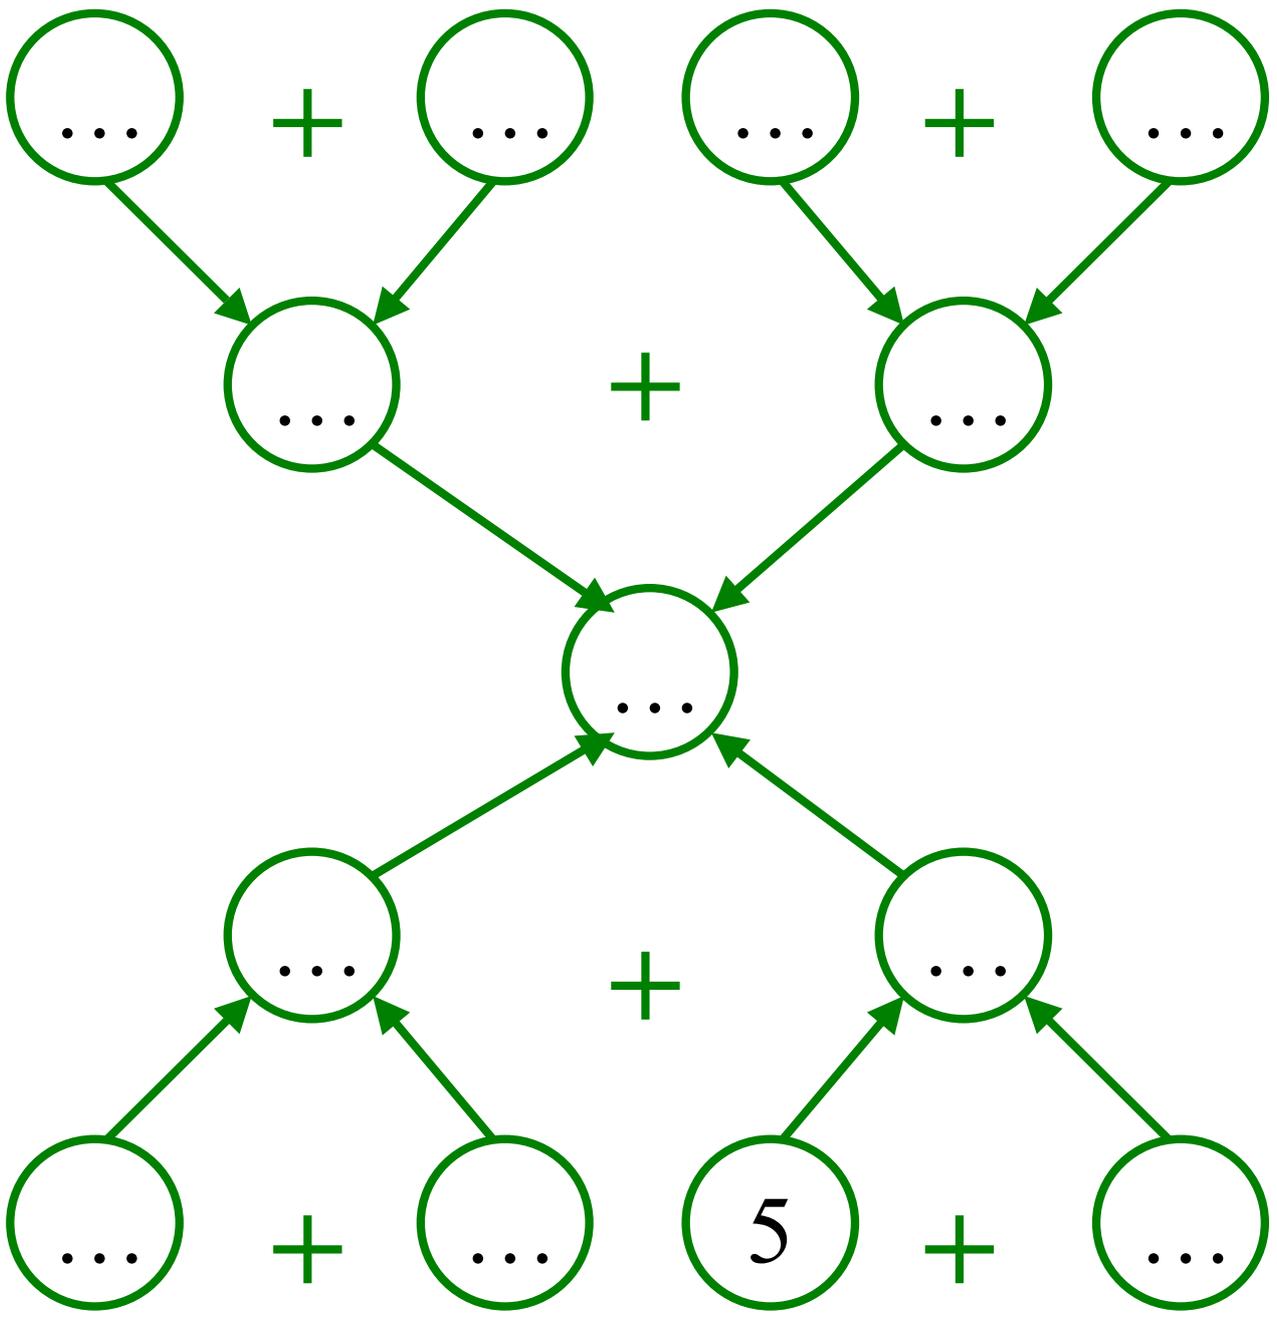

# *La clessidra*

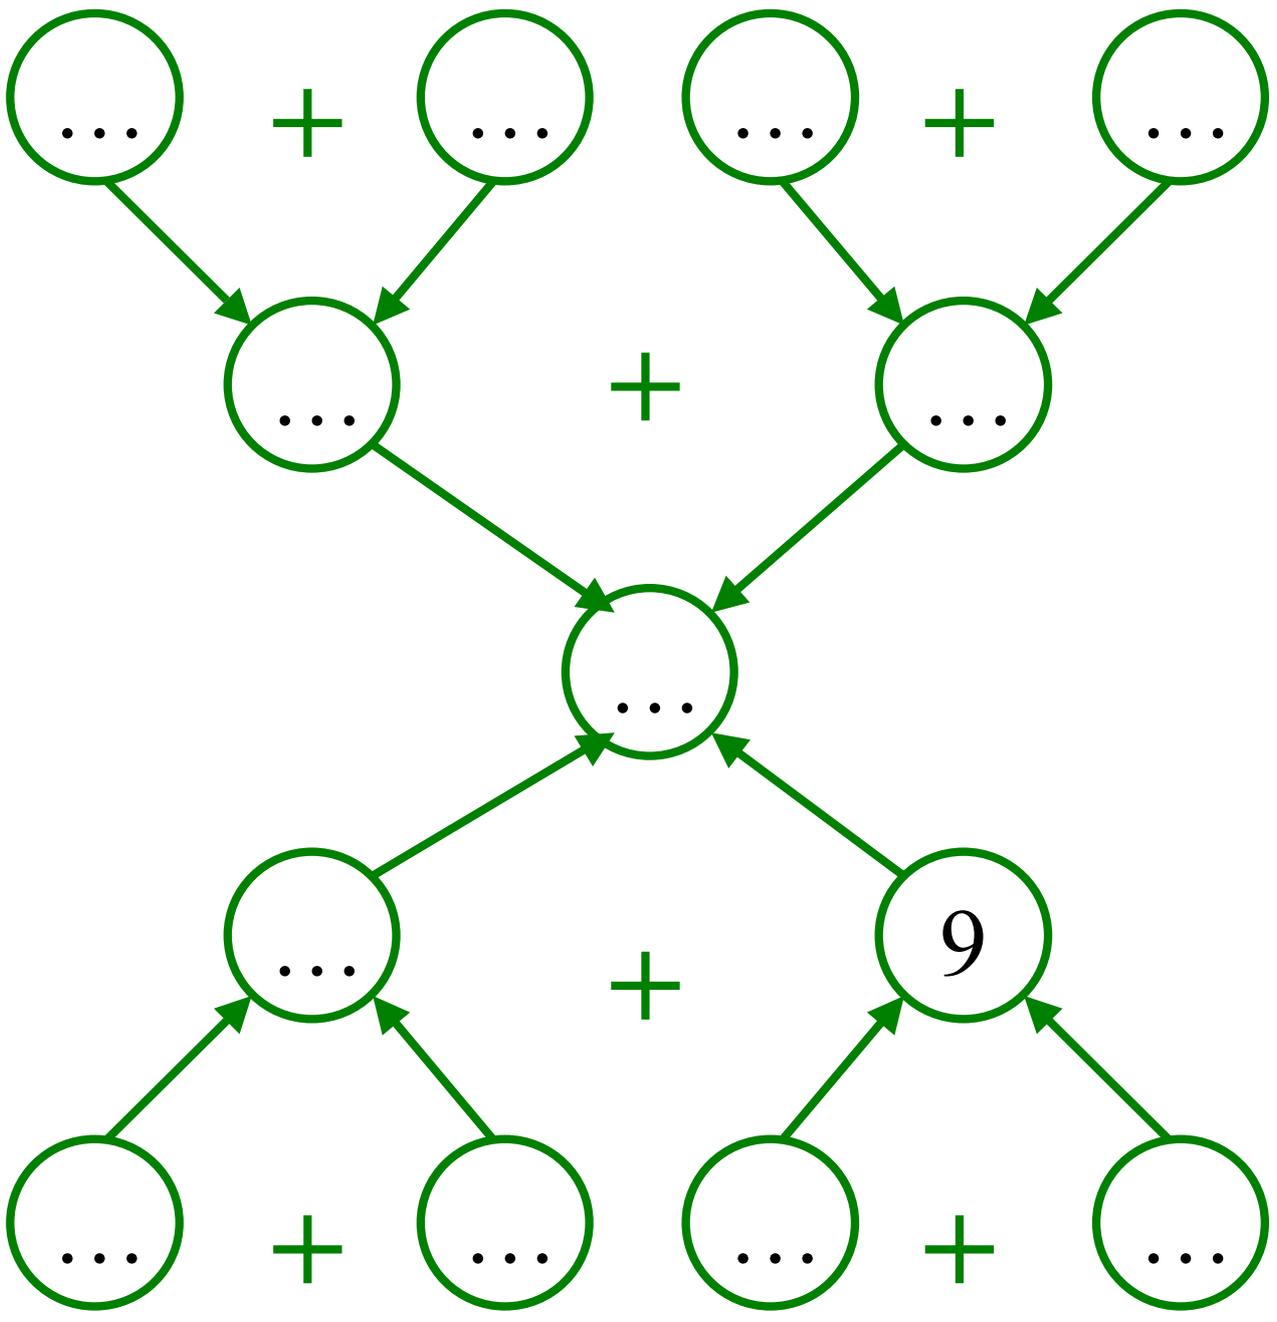

# *La clessidra*

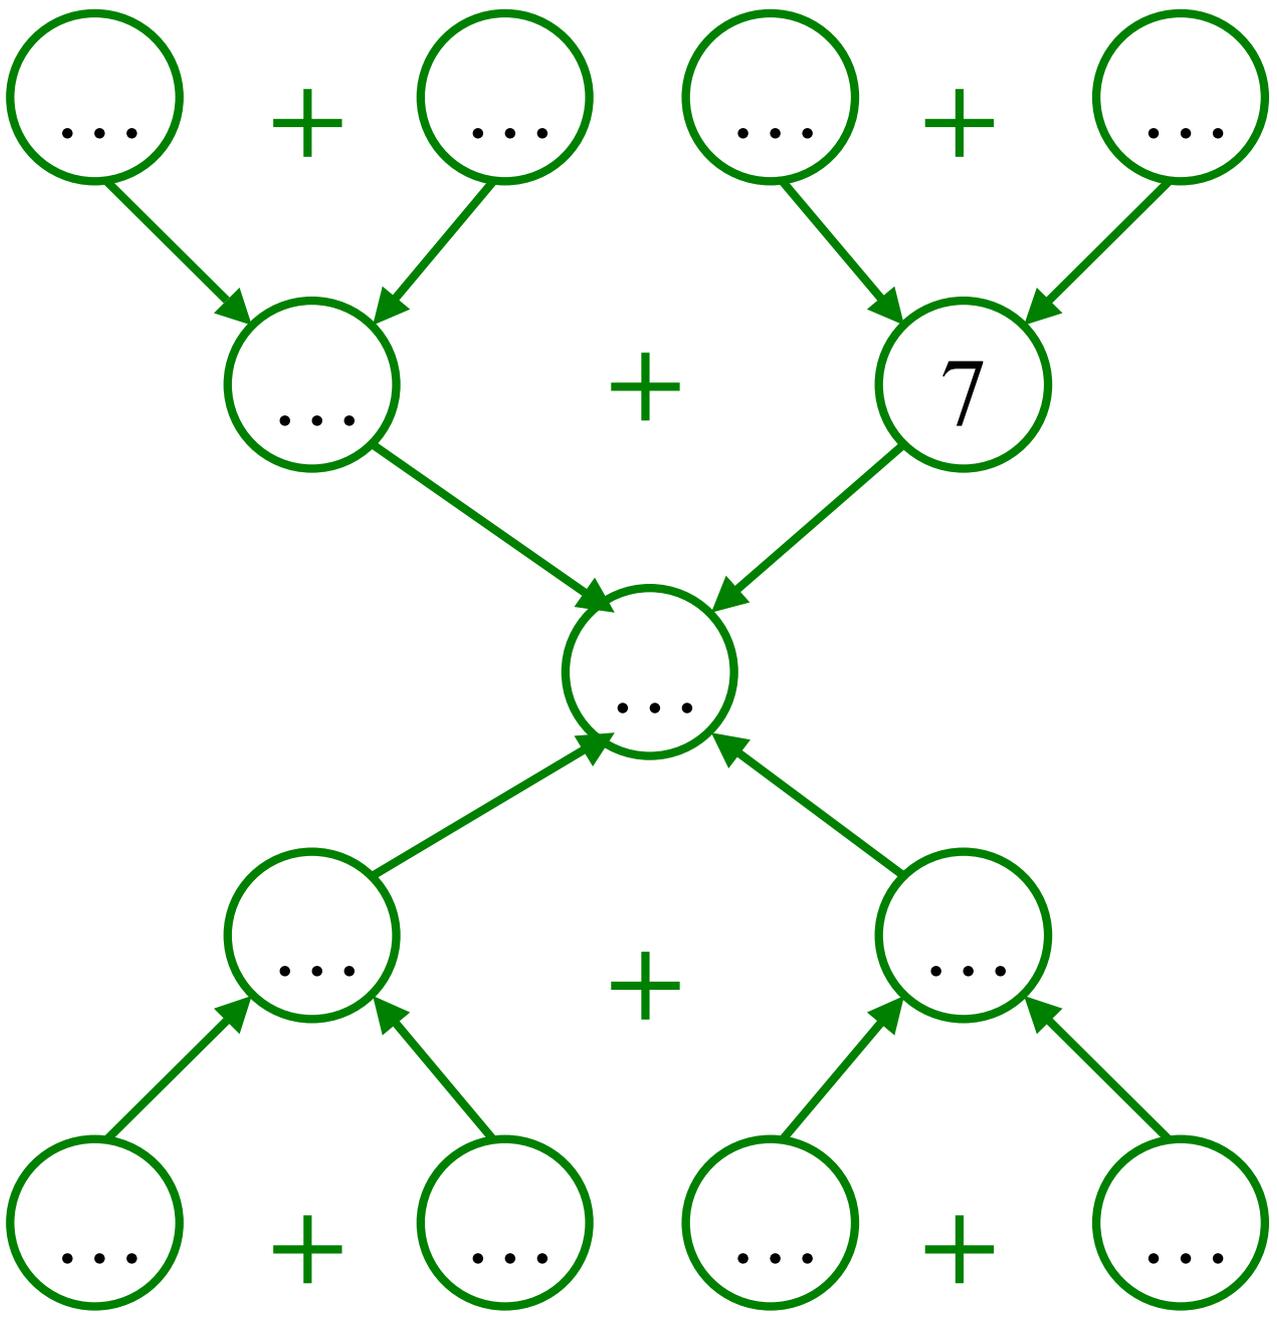

# *La clessidra*

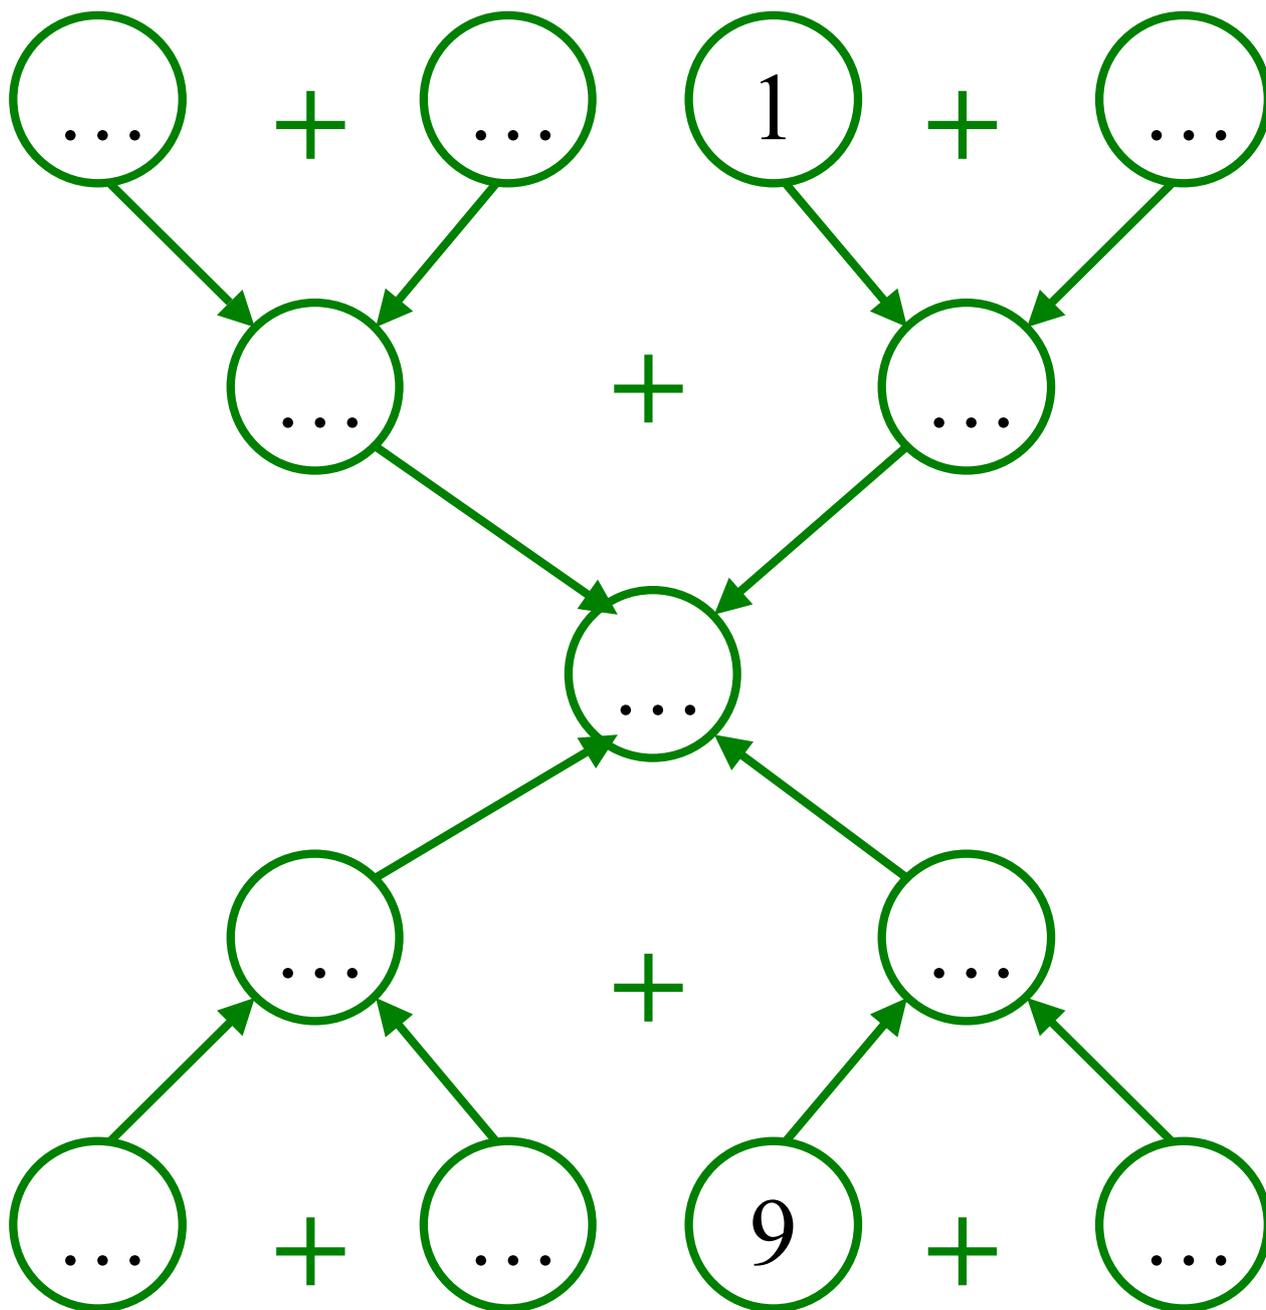

# *La clessidra*
